TERMS OF AGREEMENT

I certify that I am at least 21 years of age. By becoming a member of Amberfalls' Wine Club, I understand that after two shipments, I may cancel my membership with a written notice of 30 days prior to the third shipment. Shipments are sent three times a year during the months of February, October, and June. Any memberships canceled less than 30 days prior to the next shipment date will incur the regular fee for that month's order, and cancellation will be effective for the next scheduled wine order. Any order cancelled before the second shipment will be charged a \$40.00 cancellation fee. I understand that my credit card will be charged in accordance with my month's most recent choice of wines ordered. Pick-up orders unclaimed within 30 days of the billing date will be shipped to the member. All shipping costs associated with unclaimed orders will be charged to the member credit card and will be non-refundable. Amber Falls Winery cannot guarantee the availability of a purchased vintage when a shipment is not picked up or received after 30 days of the billing date. Wines from a shipment may not be traded for other selections. Selections can be changed with a written notice if notice is given at least 30 days prior to the month of your next scheduled shipment. Club discounts are not valid with other specials or discounts offered by Amber Falls Winery. Club discounts are only available to you and your significant other. Membership is non-transferable. Membership cards or photo identification must be presented to receive discounts on-site at the winery. If replacement or additional cards are requested, there will be a \$10 fee. Amber Falls Winery reserves the right to change or amend the Wine Club terms at any time.

SHIPPING POLICIES

Wines will be shipped on the second Monday of designated months unless shipment date falls on a major holiday. Please note that all orders must be placed by persons over the age of 21 years and that verification of age will be required upon receipt of your wine. Any person unable to provide verification of age will forfeit their right to receive the shipment until verification is produced. In such circumstances the order may be held by the shipping company until appropriate identification is produced, or be shipped back to the winery. All associated costs will be the responsibility of, and charged to, the member credit card. No deliveries can be mailed to a P.O. Box. Due to the restrictions of many state laws, Amber Falls Winery only ships to states where direct shipment is permitted by law. In addition, some states impose limitations on the amount of wine that a resident may receive. Any Wine Club orders not retrieved within 30 days will automatically ship to the member's address and shipping charges will be billed to the member credit card on file. Shipments are insured up to a maximum amount of \$100. Free shipping on Golden Connoisseur wine club orders only applies to orders being shipped within the continental U.S.
